The Hidden Dangers of Soy (Paperback)

By Dianne Gregg

Outskirts Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Could Soy be Killing Your Family? Do you believe that soy offers protection or a cure against cancer, heart disease, osteoporosis, menopause, and other illnesses? Want to know whether soy formula is good for your infant and what the possible affects soy foods can have on your entire family? Are you one of the millions of people suffering from unusual weight gain and never thought that soy might be the cause? If so, you are not alone. I reveal the dangers of soy and what you need to know. I want to share my story with you and possibly save you and your family's life. Learn: * What ingredients to look for on the labels * What alternative ingredients to use including soy-free recipes. * Why the soybean industry wants you to believe it's the miracle food. * Read testimonials from others and how soy affected them. Everyone concerned about their health and the foods they eat needs to read The Hidden Dangers of Soy by Dianne Gregg. From prepared meat to bread, from vegetable oil to soups, soy, its...

Reviews

Just no words to explain. Indeed, it is actually play, nevertheless an amazing and interesting literature. Its been written in an exceptionally simple way and is particularly simply following i finished reading through this ebook by which in fact altered me, alter the way in my opinion.
