Curiosity Quills Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Big Love meets Manhattan in Adultery, a darkly ironic contemporary comedy about love, sex, and polyamory on New York s Upper East Side. Professor Orlando Plummer, philanderer and drunk, first meets the Fliedermans - billionaire Roger and the exotic, neurotic Arabia - at an intimate orgy arranged by his own bored and wealthy wife Valeria. After that disastrous night, Orlando blunders his way through a dizzying sequence of academic back-stabbings and sexual musical chairs until he meets his personal Armageddon: his teaching assistant, Jun Mei, announces she is having his child - and his shaky polyamorous house of cards comes crashing down. Wicked, mordantly funny, and wise, Adultery teaches us a great many things about love, a literary life misspent, and the consequences of too much money. Throws sex at the bookish - and books at the sexish.
