OUT OF THE BOX: SHARING THE GIFT YOU ARE WITH THE WORLD! (PAPERBACK)

Booksurge Publishing, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Out of the Box uses a spiritually-creative interpretation of the Wizard of Oz as the backdrop for discovering our ability to make a difference using the skills, talents and abilities we already possess. In addition to blazing the trail using his own experience as a guide, Pruitt offers Discovery Moments at the end of each chapter to help us connect the concepts he presents to our own spiritual course. While the book has an openly Christian theme, it is not necessary for the reader to ascribe to a particular religion or even profess a spiritual connection. Rather, Pruitt includes Biblical references as a guiding principle for actions the reader may seek to take. It was only after a friend pointed out that Pruitt's charge for us to share the gift we are with the world echoed Bible verse 1Peter 4:10 that Pruitt realized the connection. It became clear to him that if we are to find our way out of our own dismal Kansas and explore a new, exciting life it would only be possible with God's help.
