Usborne Publishing Ltd, United Kingdom, 2012. Paperback. Condition: New. Jessica Mikhail (illustrator). 03 ed. Language: English . Brand New Book. Penny Dreadful is a magnet for disaster. Starring in three more brilliant stories, Penny creates mishap, mayhem and misadventure wherever she goes. Penny Dreadful Does Her Best - After Bridget Grimes shows off her collection of Brownie badges in assembly, Penny and Cosmo decide that they are also going to do their best and try to help. But when their attempt to help out with the washing ends in bubbles, bedlam, and lots of pink clothes, they discover that it might be best not to be helpful all of the time. Penny Dreadful and the Hormones - Penny's big sister Daisy is in love with Joshua Bottomley, and it's all because of her hormones. So Penny and Cosmo decide to invent their own hormones using Cosmo's chemistry set, lots of things from the kitchen cupboards and an extra-special secret ingredient - with disastrous results. Penny Dreadful and the New Girl - When Penny's headmaster tells her class that a new girl with a famous dad is joining the school, Penny is determined to be her best friend. But one collaborative art project, a dead pigeon, and a visit from the fire brigade later, things haven't quite gone to plan. Get ready for a taste of destruction with Penny's third side-splitting trio of tales of trouble. Penny Dreadful would have even Minnie the Minx running for cover. Nothing is safe when she's around.
