Excerpt from The Open Court, Vol. 31: October, 1917 The restoration of the archaic system in the United Netherlands naturally broke the back of the French alliance, and allied the Dutch republic once more with England and also with Prussia. A state so constituted could not for-ever delay its fall, nor could foreign aid prevent the final catastrophe. The last period, from 1787 to 1795, was a time pregnant with mighty events and portentous warnings. The French revolution Of 1789 was casting its shadow before, encouraging the Dutch patriots and causing gloomy forebodings among the regents and all adherents of the old system. Every province was divided against itself, and only the danger of Holland s supremacy kept the rest of the provinces in common accord at all. There was no feeling of a national and indivisible unity which made them forget their separate existences this feeling was to be instilled through many bitter years of French Oppression. The army was without leaders and discipline, the navy had practically ceased to exist. Foreign commerce was declining, while colonial trade was at its lowest...

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
