

Timber Creek (Paperback)

By Veronica Wolff

Penguin Putnam Inc, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. In love and war, something s gotta give. For Laura Bailey it wasn t easy weathering her teen years at her quaint family lodge in a boondock town at the foothills of the Sierra Nevadas. Fleeing for San Francisco the minute she graduated high school seemed like a good idea--until she lost her job and her fiance. The blow to her pride sent her back to Sierra Falls to figure out her life. But her hometown is undergoing a bit of renovation. A new Sierra Falls resort is posing a threat to the Bailey family business. Even worse, the construction company developing the property is run by Eddie Jessup, Laura s cocky high school nemesis who delighted in locking horns with the little spitfire. Some things never change. But their battle isn t the only thing heating up between Laura and Eddie, and before long they realize that getting to know each other all over again has its rewards. But fate isn t through with them. Nor are the games men and women play in the name of love.
