A pocketable, convenient, easily accessible write-in journal. - Today, Tomorrow Yesterday can be a journal, a diary or a chronicle for the present, the past or the future. It s a journal with echoes from Great Minds. These echoes/quotes from great minds can be like your personal muses, your guides, taking you through the day with inspiration and insight. - We re not like those other big bulky journals; this journal is small enough to fit into your pocket or purse. It gives you easy access to jot down at any time, day or night: feelings, experiences and insights about today, tomorrow or yesterday. - It makes an excellent personal diary or a journal of an event: a lecture, a teaching, a meeting, etc. An event taking place today, tomorrow, or one that happened yesterday. And what s also great about this journal is: it s expandable. - It gives you the ability to expand your chronicle indefinitely. - - - Having a hard time, getting a journal or diary started? Steps I like to call, the: when-do-I and how-do-I start-steps; your two simple steps to getting started and becoming a successful writer, diarist or journalist. - - - A larger (8x10) version is also available. - - - See: Today Tomorrow Yesterday Volume 2+ for more information about expanding this journal....
