BETWEEN THE LINES: ATELIER VILLES & PAYSAGES

DesignMedia Publishing Limited. Hardback. Book Condition: new. BRAND NEW, Between the Lines: Atelier Villes & Paysages, Atelier Villes & Paysages, Atelier Villes & Paysages, which grew out of the agency created in 1989 by the landscape architect Jean-Marc Bouillon, was formed by bringing together there disciples: landscape design, town planning and engineering. Today Atelier Villes & Paysages is a dedicated multidisciplinary team of 120 landscape architects, town planners, architects and geographers. They are united by a common ambition: to have an impact on the development and transformation of cities and landscape through meaningful designs and significant spaces where the identity of places is the keystone of the design process. Far from being technical, this team prioritises collective knowledge and shared experience. This book brings together twenty three projects that are the product of these shared viewpoints. It offers a chance to wander 'Between the lines' of landscapes and cities with a diversity of contexts, sites and programmes; and so it reveals the world of Atelier Villes & Paysages, which mixes sensitivity and pragmatism, creativity and attention to detail.
