

Beyond the Lesson Plans: Six Keys to Unlocking the Potential of All Students

Filesize: 2.98 MB

Reviews

This is basically the greatest book i have got read through until now. It normally will not expense an excessive amount of. I am just delighted to let you know that here is the greatest book i have got go through within my individual existence and might be he finest book for at any time.

(Precious McGlynn)

BEYOND THE LESSON PLANS: SIX KEYS TO UNLOCKING THE POTENTIAL OF ALL STUDENTS

[DOWNLOAD](#)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Beyond the Lesson Plans is a book for teachers who are looking to improve test scores. All teachers have had children who have been difficult to reach academically. This book was written to bridge the gap. There are six keys to helping children perform at a higher level. One of the keys focuses on technology that most teachers are unaware exists. Personal stories are also given to help teachers understand how I applied the keys. As a bonus- there is a contact page at the end of the book. If there are any questions about how to apply the lessons in the book- I can walk you through how I worked with similar children. Best wishes on your educational journey!.
