G.P. Putnam s Sons Books for Young Readers, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The final book in Marie Lu s best-selling Legend trilogy draws to a thrilling conclusion in this vibrant graphic novel adaptation. June and Day have sacrificed so much for the people of the Republic--and each other--and now their country is on the brink of a new existence. June is back in the good graces of the Republic, working within the government s elite circles as Princeps Elect while Day has been assigned a high-level military position. But neither could have predicted the circumstances that will reunite them once again. Just when a peace treaty is imminent, a plague outbreak causes panic in the Colonies, and war threatens the Republic s border cities. This new strain of plague is deadlier than ever, and June is the only one who knows the key to her country s defense. But saving the lives of thousands will mean asking the one she loves to give up everything he has.
