Nancy Paulsen Books, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. Perfect for fans of the dystopian settings of The Hunger Games and Divergent, the gripping second installment of the Slated trilogy is a riveting psychological thriller set in a future where violent teens have their memory erased as an alternative to jail. Kyla has been Slated--her personality wiped blank, her memories lost to her forever. Or so she thought. She shouldn't be able to remember anything. But increasingly she can--and she's discovering that there are a lot of dark secrets locked away in her memories. When a mysterious man from her past comes back into her life and wants her help, she thinks she's on her way to finding the truth. But this new knowledge lands her in the middle of a tug-of-war between two dangerous adversaries, and despite her misgivings about both of them, she's forced to choose a side for her own protection.
