The N00b Warriors (Paperback)

By Douglas Scott

Scott La Counte, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A blog started the forever war--a global war set in the not so distant future between two groups (the Rebels and the Coco s). Dylan Austin has grown up with the war being a constant background to his life; his dad has just returned from war missing a leg; his older sister is missing and presumed dead from the war; and all through school war has been embedded into everything they teach. Teens have been raised on educational war video games, and their minds are polluted with the idea that war is just a game. Unlike most kids Dylan s age, he does not eagerly await the day he can serve the Rebel cause. At sixteen, Dylan is one of the weakest kids in his class, and is always picked last for war games; he s not even good at the government issued video games that are supposed to make you more combat ready. Unfortunately for Dylan, war has come early, and he has no other choice but to fight. No one suspected he could last a single day in battle, but after...

Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
