Reviews

Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HIRAM GRANGE AND THE VILLAGE OF THE DAMNED: THE SCANDALOUS MISADVENTURES OF HIRAM GRANGE (PAPERBACK)

Shroud Publishing, LLC, United States, 2009. Paperback. Condition: New. Malcolm McClinton (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Something wicked walks the streets of the picturesque New Hampshire village of Great Bay--something that has inexplicably risen from the grave to wreak a horrifying vengeance. Only one man can stop it--provided he can stay sober long enough to answer the call! Hiram Grange and the Village of the Damned introduces readers to the scurrilous boozier and malcontent, Hiram Grange. Though afflicted with a laundry list of dysfunctions, addictions and odd predilections, Hiram Grange stands toe to toe (and sometimes toe to tentacle) with the black-hearted denizens of the Abyss and dispenses justice with the help of his antiquated Webley revolver and Pritchard bayonet. The first of a five part series. Cover and illustrations by Malcolm McClinton, and original woodcut prints by Danny Evarts.
