Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you find yourself struggling with Palmoplantar Pustulosis and haven't found anything that works which will reverse and heal your PPP outbreaks? Have you spent a lot of time and money on doctor visits but whatever the doctor prescribe doesn't seem to work or help in the long run? Well then you are in the same boat as I was a few years ago. In my book I write about how complex the immune system is and how it operates and what causes PPP in the first place. The solution is how to take control over your own health and to heal naturally. If you find yourself falling into one of the below categories? * You feel your PPP is disabling you and your quality of life is deteriorating * You have been advised taking biologics but feel it's not really for you and want to try a holistic approach first * You have tried to change your diet to improve your health without any real success If you answered yes to any of these questions, my upcoming book is for you. In my book I will explain how the immune system works and what you need to do to boost it and regain your health. I believe by knowing what makes you sick in the first place, it's much easier to also understand what you need to do become well again. The topics in this book includes my own PPP journey, as well as what triggers Palmoplantar Pustular Psoriasis and how to heal yourself. Here's what you going to learn inside the book * What is PPP Topical ointment...
