Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In his book, *Opening the Windows of Heaven*, Bishop James A. Williams, II offers sound biblical exegesis concerning the issue of giving in the Church; an issue that has caused much confusion and emotional angst in the Body of Christ. Bishop Williams teaches that scripture clearly reveals principles offered by God to guide His people in their giving. He shares these principles in this masterful teaching on first fruit, tithes and offerings. Written in a style that is scholarly and yet accessible, *Opening the Windows* will provide readers who are willing to open themselves to unfolding revelation the opportunity to exercise increasing faith in their walk with God and see the manifestation of the word of God in their lives, individually and corporately. Bishop Williams is often heard saying, I m not trying to take something from you. I m trying to get something to you. Allow this small book to help position you for great blessings as your giving places you under the open windows of heaven. With more than a quarter century of ministry behind him, Bishop James A. Williams, II has developed a reputation for sound, biblical teaching, practical application and forthright presentation. He is a recognized leader in the body of Christ, serving as founding pastor of Spirit Truth Christian Ministries, Presiding Prelate and Chief Apostle of Kingdom Churches United and First Assistant Presiding Prelate of Kingdom Alliance Covenant Fellowship. The Bishop seeks to fulfill the mandate and ministry to which God has called him, preaching a balanced word in an unbalanced world and raising up unapologetically Christian believers who live victoriously.
