THE HALF-EMPTY HEART: A SUPPORTIVE GUIDE TO BREAKING FREE FROM CHRONIC DISCONTENT

[DOWNLOAD](#)

GRIFFIN. Book Condition: Neu. Neu Neuware, auf Lager, Versand Büchersendung - Finally, help for the millions of people suffering from low-grade depression, also known as dysthymia or chronic discontent. Frustrated. Irritable. Discouraged. Fed up. These are among the feelings experienced by millions of people suffering from low-grade depression. Often erroneously attributed to a negative attitude or laziness, this common condition saps feelings of happiness, contentment, and passion, and frequently goes undiagnosed. The Half-Empty Heart is a powerful and practical book that explains how the condition takes hold--and presents simple yet profound ways to overcome it for good. Using anecdotes from his private practice as well as quizzes, checklists, exercises, and a complete five-week plan for achieving lasting results, clinical psychologist Alan Downs, Ph.D., shines light into the dark corners of this isolating and debilitating condition. You can feel good again. The Half-Empty Heart shows the way. Englisch.
