

The Sahara: A Cultural History

Filesize: 9.46 MB

Reviews

Completely essential read book. I could possibly comprehend every little thing using this written e book. You wont sense monotony at at any moment of your own time (that's what catalogues are for relating to if you ask me).

(Rosendo Douglas DVM)

THE SAHARA: A CULTURAL HISTORY

Signal Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Sahara: A Cultural History, Eamonn Gearon, The Sahara is the quintessence of isolation, epitomizing both remoteness and severity of environment unlike any other place on the face of the earth. Replete with myths and fictions, it is a wild land, dotted with oases and camel trains trudging through sand dunes that roll like the waves on a sea, as far as the distant horizon. But this is just part of the picture. The largest desert in the world, the Sahara ranges from the river Nile running through Egypt and Sudan in the east, to the Atlantic coast from Morocco to Mauritania in the west; stretching from the Atlas Mountains and the shores of the Mediterranean in the north, to the fluid Sahelian fringe that delineates the desert in the south. Invaders and traders have come and gone for millennia, but the Sahara is also the place that some people call home. While larger than the continental United States, this vast area contains only three million people: Africans and Arabs, Berber and Bedu, Tuareg and Tebu. Eamonn Gearon explores the history, culture, and terrain of a place whose name is familiar to all, but known to few. Conquered and Cursed from the 50,000-strong army of Cambyses, swallowed in a sandstorm in the sixth century BC, to the us marines first foreign engagement, in 1805; Hannibal and his elephants, Caesar against Anthony and Cleopatra, Alexander the Great, the armies of Islam, Napoleon, and Rommel versus Monty. Myths and Mysteries: from whales in the White desert to the arrival of camels in the Great Sand Sea; chariots of the gods and colonialists' motor-cars; from the Land of the dead to Timbuktu; salt and gold mines, fields of oil and gas and a man-made...
