Sellers Publishing, Incorporated, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. 25 Women Who Survived Cancer is an inspiring collection of personal stories about how to cope with, and prevail over, cancer. In 25 essays, notable women such as Robin Roberts, Joan Lunden, Fran Drescher, Liz Lange, Barbara Delinsky, Shonda Schilling, Bárbara Padilla, Sylvia McNair, and Marissa Jaret Winokur write with moving candor about how they faced cancer without letting it define their lives or conquer their spirit. They recall how they reacted to receiving their diagnosis, how they moved beyond fear to become engaged in their healing process, and how they dealt with body image and sexuality while undergoing treatment. Their reflections on what their cancer has taught them and how their lives have been changed by it are as poignant as they are powerful. This collection includes the experiences of women who have survived breast cancer, ovarian cancer, Hodgkin Lymphoma, uterine cancer, and malignant melanoma. 25 Women Who Survived Cancer is an uplifting book of hope for anyone who has been diagnosed with, or is being treated for, cancer, as well as cancer survivors and those who are providing support for cancer patients. All royalties from the sale of this book will be donated to cancer research and prevention.
