

Etudes Zoologiques Et Paleontologiques Sur La Famille Des Cetaces (Classic Reprint) (Paperback)

Filesize: 5.53 MB

Reviews

It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Modesto Mante)

Forgotten Books, 2018. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from Etudes Zoologiques Et Paleontologiques sur la Famille des Cetacés Ecrire une histoire complete des Cetacés, nous n'y avons pas songé un instant. Le moment n'est point encore venu, ou nos connaissances, suffisamment approfondies, donnent le droit de le faire. Mais nous avons voulu, pour ce travail, prendre en particulier quelques points de l'histoire naturelle de ces animaux, les entourer des vérités scientifiques acquises par les derniers travaux les plus sérieux, et, en les exposant, tâcher que la lecture de ce livre ne soit pas tout à fait dénuée d'intérêt. Une esquisse anatomique faite, on le conçoit, absolument nécessaire pour ce genre d'études nous l'avons faite, un peu trop aride, peut-être, mais en nous attachant exclusivement à mettre en évidence les caractères qui différencient ces animaux des autres mammifères. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
