The sheer thought of having these rights impeded upon in any way is something people in the West often consider unthinkable. In this day and age, people will fight tooth and nail to right cases of discrimination and injustice, from seeking legal action to filing criminal charges against the discriminating party. Multiple organizations around the world exist to help combat and protect its citizens from prejudicial inequities. Social media has also become a channel for those around the world to voice these injustices. Those around the world who empathize with the discriminated band together and condemn the accused bigots. Resulting boycotts, petitions, and negative backlash from social media and the Internet have been known to play a significant role in contributing to the downfall of individuals and corporations that have been accused of discrimination of any kind. The road to the modern age of cultural harmony and acceptance is one of the finest feats of human progress, but having said that, there was once a time when the mere doubt of a religious figure s existence was not only punishable by law, it could very well cost a man his life. This was the crime of heresy. This kind of religious persecution has been around for thousands of years, and...
