This is the true story of a family who were missionaries in China, Vietnam, and Congo during war, chaos, revolution, and massacre. If it was dangerous, it happened to them. The story includes the capture and years of separation from their parents for two of the young children while they were held in prison camps. For others in the family, life included hiding in caves; seeing dead bodies float down the river; encounters with drug-crazed rebels, starvation, and surviving untreated exotic diseases. It is more than a story of survival. If you don't believe in miracles now, you will.
