I do not remember when I first sailed out of Arklow, but I do remember when I almost drowned in the dock at the age of three. I was brought up in a fishing community, and in our street of fourteen houses, every one of them had at least one person in the family earning a living from the sea. I first shipped out of Arklow as a boy aged thirteen on local fishing boats. Later on I joined the Merchant Navy, and over the years, I worked my way up from ordinary seaman to master. I served on eighty different boats and ships and was master of thirty-seven of them. These included fishing vessels, coasters, tramps, cattle boats, passenger ships, heavy-lift vessels, nuclear fuel carriers, tankers, VLCCs, OBOs, container ships, dredgers, survey ships, yachts, and patrol boats. This is my story. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
