AUTHORHOUSE, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this book I describe in detail the procedures before, during and after your MRI exam. I placed pictures of every position in every angle for an open and closed MRI scanner. These pics are beautifully taken to show the comfort level of pursuing an MRI exam mostly in a open scanner. You will not be disappointed by this material because I put all my heart into it from the years of experience in helping patients with the claustrophobia blues.
