This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This edition of Tea With Jesus is the same daily Bible reading and prayers as the one year compact edition, but simply takes two years to go through the Old Testament once and the Psalms and New Testament twice. This two year edition allows for more time to meditate on the passages that are read each day. It has been brought to my attention that folks would like to take their time in reading the Bible through in order to pause and think about the meaning, praying, and studying. I hope that this two year edition is helpful to you. I have elected to use this two year edition myself and am finding it helpful in pausing to meditate. May this Bible reading schedule be a blessing to you.
