(50 Website Tips For Non-Techie Folks) Website owners - grab your copy of these tips! From Teena Hughes When Teena Hughes used a computer mouse for the first time, she tried to roll it across the mousepad but couldn't get the pointer in position on the screen. Teena then did what she thought everyone else might do, she carefully rolled the mouse over the edge of the desk, and down the leg whilst keeping an eye on the screen to see where the pointer was. When Teena found out she'd totally got it wrong, she vowed to show others how to use their computers without feeling like idiots. She wrote handy hints, published them, kept adding to them as her knowledge grew, until she started writing computer training manuals and running training courses. Ah that felt better! > The Butcher, The Baker and even the Candlestick Maker all have websites now!
