Brand New Book ***** Print on Demand *****.Connecting-The-Dots (For Everyday People) is not just a book but an experience! It is multi-purpose and can be utilized as an organizer, a daily planner, a mentoring guide, a comprehensive journal, your personal corrective action plan, a life skills manual, a relapse prevention plan, and can be viewed as your own personal counseling sessions when you feel you have to be reintroduced to You . Connecting-The-Dots (For Everyday People) demonstrates how the importance of strengthening one s personal growth enhances their professional development. Connecting-The-Dots (For Everyday People) can be utilized to facilitate discussions in small to large group sessions or by yourself. Connecting-The-Dots (For Everyday People) is not a sprint, but a marathon. It is written in a certain order and for best results should be completed in that order. Remember in primary school your teacher probably distributed the Connect-The-Dots handouts for you to complete as a means of a reward. The only instruction was for you to connect the dots in the order of the numerical series. If you connected out of order then the image...
