THE WITCH OF GOINGSNAKE AND OTHER STORIES

University of Oklahoma Press, United States, 1991. Paperback. Book Condition: New. New edition. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Based on Cherokee history, oral storytelling, and personal experience, these stories, taken as a whole, reflect the depth of Cherokee historical experience and the range of contemporary Cherokee life. Some Cherokees confront ignorant whites, others confront ignorant Cherokees, and still others simply make their own way, dealing with each other, with outsiders, with their environment, and with their spirituality in uniquely personal, albeit Cherokee, ways. Clearly, these stories differ from stories that grow out of a European tradition, for behind them lie completely different cultural referents; different notions about interpreting events, time, and language; and a different view of the purpose and art of storytelling. Their...
