Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published ebook. You won't truly feel monotony at any moment of the time (that's what catalogues are for concerning should you question me).

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A bottoms-up practical view of money and people in poverty, commerce, finance, and power. Money is nothing but a tool and a human construct, and it has been available-in one form or another-to most people in the 21st century via the 3 ecosystems described in these pages. Understanding how money works in each system makes it possible to cash in where others might make avoidable mistakes, resulting in the creation of wealth in new and unexpected ways. Though Bitcoin and Cryptocurrency are introducing new ways of looking at money, this text covers three systems: 1. Payments and Commerce 2. Banking and Finance 3. Government and Power To cash in within these systems, learn about how each works and creates value (and money). Then you can be creative and simply take the risk of being different from the people around you as you become wealthier. Afterwards, please continue exploring and learning about what seem to be confusing ideas in reference to money, value and economics. So, get comfortable and start taking notes as you read this book, because the ideas within will get you thinking and wondering about your finances, your beliefs, your habits, and the future.
