Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2002. Paperback. Condition: New. Language: English . Brand New Book. In this practical and imaginative guide to counselling school-age young people Gudrun Sederholm draws on her 33 years experience of working as a teacher, educational counsellor and education policy advisor. She discusses methods that she has found to be effective in dealing with the concerns that students bring to school counsellors, such as exam choices, managing homework, school leaving and choosing a career, or emotional issues such as family communication difficulties, eating disorders, depression, sexuality, pregnancy, long-term illness and drug use. She also gives guidance for professionals on studying, training and supervision, and on how to build relationships with teachers and parents. A parent herself and the writer of books for children, Gudrun Sederholm's insight and understanding provides guidance and inspiration to professionals - as well as to parents themselves - seeking to connect with and support young people.
