Brand New Book ***** Print on Demand *****.With every possible choice we must identify early and treat early all types of addiction. Then support the maintenance of recovery in everyone. Chemical Dependency Family Intervention needs to be commonplace and the media needs to focus on Recovery. Part of the problem is the adult attitudes are pro early drinking in adolescents and some even drink with their children and think nothing of it. All people should look at their own relationship with alcohol and other drugs. There is a responsible adult mature way to approach alcohol when people are 21 years old.
