Partridge Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.These writings, which is in the form of four separate discussions between me and others, is primarily about Krishna and Ayn Rand (American author and philosopher, 1905-1982). My ideas can be summarized in a few lines like this-You have existed for an infinite amount of time because you were uncreated. It is a fact of reality, and if you did not perceive it, it does not negate it. But we never create reality by our perception. And that is what I mean by reality existing outside our direct perception. More than a million people have already read my writings on my blog.
