SHADOW PLACE: PARANORMAL PREDATOR PROTECTION FOR EXTRAORDINARY TIMES

iUniverse, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The next night after the devil faced episode, Cathy was driving home on a warm June evening. For some odd reason, she missed her turn while driving down one of the back roads. The next thing she knew she was in a bank of fog. The fog would get worse, but something else happened first which nobody in their right mind would believe. Her windshield froze up in a glaze of ice fog. The windshield wasn't cold, but it looked like it was actually frozen with frost and ice. She tried anti-freeze, air and wipers all at the same time, but nothing worked. After she failed to clear the windscreen, she needed to focus on steering the car away from the ditch. Fortunately, she also noticed the two flashing red lights through the frozen windscreen, so that she was able to stop her car at the last minute. There was no train or lights ahead of her before the windscreen froze; nevertheless, she was headed right into a moving train at a location which lacked signal barriers. The result of that would have been horrific. Shakespeare was right when he claimed that man's greatest weakness was his false sense of security. The hidden world of spirit slavery and aggression still exists behind the veil and that veil is beginning to drop away with the planet's higher vibrations. Shooting Star reveals why it is necessary to defend yourself and your family from paranormal predators at home and in the community through the uncovering of layered truths from his own past life experiences, in addition to his ongoing involvement with negative entities. Paranormal investigators and visitors...
