STICKER FUN - DRESSING UP (PAPERBACK)

Anness Publishing, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. With over 50 reusable stickers, this is a stimulating play-and-learn book for preschool kids. It is full of photos of children and toys in various disguises - from a flashy film star to a scary skeleton, and from brave superheroes to crazy clowns. Two pages of stickers include a fairy's magic wand, tools for a carpenter, and a wicked witch's cauldron. You can find sparkly jewels, track down a sheriff's badge and horse, locate the pirates parrots, seek out new planets and stars for the astronauts to visit, and much more. The bright pictures interact with the simple text to help develop skills. There's no disguising the fact that children will absorb information while they have fun finding stickers, answering simple questions or copying the actions of youngsters just like them. Children love dressing up, and they will readily respond to the bright photographs of outfits and costumes inside this book. It presents a child's-eye view of the world, combining pictures and simple text to help them develop their reading skills. They will learn new words and ideas as they use interactive stickers to hunt down hats for the clowns or crown a new king. The stickers are reusable, so young readers will be able to complete the activities again and again, as well as use the stickers to create their own books, posters and games.
