Brand New Book ***** Print on Demand *****.Two things you need for a successful journey are a map and a compass. You need a map to show you your final destination and a compass to plot a new course once you have lost your way. In this book the author shows you how he built his spiritual compass from the word of God and why he chose these particular verses. These verses not only give him direction, but also the reassurance that God wants to be part of that journey. The last chapter gives you the chance to build your compass using the passages and experiences you value most in life. By creating your compass you will see exactly what keeps you on course and find your way home.
