

Atlas of the American Civil War: Army Organization (Paperback)

By John Carl Nelson

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The War Between the States was America's bloodiest war, and now in John Carl Nelson's fascinating Atlas of the American Civil War: Army Organization, this major upheaval in American history comes alive as never before. Based on GIS technology, Army Organization gives you a birds-eye view of all the army departments as never before seen. From before secession to the occupation of the south, Army Organization shows things almost never seen on Civil War maps. You can follow the generals, and see how organization changed with the progress of the war. The second in an exciting new series of progressively more detailed maps and atlases, Army Organization concentrates on the big picture, letting you see and experience the War Between the States with a new perspective. Each page has an incisive chronology listing every important reorganization and change of command, then ties them together with the map, visually increasing understanding. Perfect for any student of American history, Civil War buff, reenactor, or anyone who wants a more detailed immersion into the past, Army Organization offers a thrillingly unique exploration that..
