Brand New Book ***** Print on Demand *****.Excerpt from The Preparation of Teachers in Ontario and the United States In Ontario extensive provision is made for the preparation of teachers. Every position in the schools, from Kindergarten to University, must be filled by a trained teacher if such is available, and no one can receive a permanent certificate as a teacher Without Scholarship, pedagogical training, and experience. The academic and professional courses are distinctly separated; the professional training being acquired in special schools, after the acquisition of academic knowledge in the High Schools or Universities. Teachers of different qualifications are required for the various grades of schools, and hence there have been established three types of training schools for teachers; the Provincial Model Schools, the Provincial Normal Schools, and the Faculties of Education in the University of Toronto and in Queen s University, Kingston. In the High Schools, special courses are provided for those who are seeking to enter upon the work of teaching. Students who desire to attend a Model School must pass the examination known as Entrance to Model Schools, at the...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
