AUTHORHOUSE, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Usually, a man creates his diseases. In this book are explained the true causes for the diseases, principles of natural hygiene?which must be kept to prevent diseases?and the way of treatment, if they have occurred. Natural hygiene uses holistic/general way for treatment and maintenance of health. They say that health is the greatest wealth. Usually, we realize the value of something when we lose it. Health is not everything, but everything without health is nothing! Any theory is confirmed or rejected by practice. Think well what is true?theories that are taught in medical universities, which are not based on natural laws, or the theories based on natural laws and obvious facts? If the wrong /false theories, which are taught in the medical universities, that the causes for some diseases are ?autoimmune?, and other diseases are caused by viruses or bacteria, were true, most wild, free animals in nature would also be suffering from the same diseases, from which suffer people. The truth is that very few of these animals get sick, and it is usually due to disposal of poisons in nature by people. The things are not so complicated as the ?doctors? of the official medicine want to convince us. Otherwise, if there were at all live wild animals, most of them would also be ill, even if they had (veterinary) ?doctors?, ?dentists?, and ?doctors? of pharmacy and their poisons called medicines and vaccines. We are creators of our tomorrow, and there is no need to pay to a ?diviner whether he is a doctor, a lawyer, a priest, or a banker?to tell us what will happen to us tomorrow. Nothing special will happen. The inevitable will occur?we will reap what we have...
