Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Digital Addiction and How We Can Deal With Its Consequences!! In the past two decades, our lives have become digital. According to some sources, the average adult spends more time staring at a computer screen than they do sleeping. As technology advances, computers and the digital world have infiltrated nearly every aspect of our existence. Almost all modern workplaces make use of computers and the majority of people spend their 9-5 looking at some form of a computer screen. Yet computers, smartphones, laptops, and tablets also, are vital to how we spend our free time; they are how we communicate, how we study and how we relax, whether it be streaming a film or browsing the web. * * *THIS BOOK IS AVAILABLE FOR A DISCOUNTED PRICE FOR A LIMITED PERIOD ONLY. USUALLY \$9.99* * * As the digital world starts to become more and more prevalent in our lives, there is also a rising concern about whether the sheer amount of time we spend on digital mediums is dangerous. The long-term effects of being exposed to the digital world are not yet fully understood, but it is becoming apparent that there may be a wide variety of negative side effects. One of the most worrying of these side-effects is the so-called digital addiction - the inability to separate ourselves from our digital devices. THE FACT IS: Digital Addiction is a real disorder and one that inhibits a healthy lifestyle. As more and more people are coming to terms with the potential dangers of being exposed to the digital world, the desire for people to separate themselves from anything digital in a digital detox , where an individual avoids or...
