The faces of the women were bowed upon their knees, but the three men stared fixedly at a black shapeless mass which lay rising and falling upon the long Atlantic rollers about an eighth of a mile away. Certain jagged protrusions here and there about the mass and the tangle of broken cordage which streamed out dismally upon the night wind, suggested that this dubious object might once have been a ship. Besides the boat and the low-lying mass of wreckage there was no hint of human presence as far as the eye could reach. She s going now! exclaimed one of the watchers suddenly in a loud husky whisper. The woman nearest him threw up her head with a sharp cry. As if in answer to the cry the wreck leapt upward convulsively then disappeared amid a sudden fury of boiling surges.
