But then she's unexpectedly offered a ritzy-sounding position as a private duty nurse to an enigmatic scholar. Unfortunately before she can start her upscale new life, Phoebe is unwittingly caught up in a medical emergency with Nick, a total stranger. The mismatched couple is forced to cooperate as they flee professional killers who now have Phoebe in their crosshairs as well. Will Phoebe and friends be able to prevent some scary guys from killing her and Nick over a mysterious book that's not even finished?
