Finding a new career after motherhood, changing fields or industries, finding a completely different type of work to do, seeking a change but staying in the same industry, moving from self-employment to something totally different At last there is a book dedicated to the unique needs of career changers! Each resume and cover letter combination reveals a story of a successful job hunt and career change. A best-selling title in the Real-Resumes Career Series edited by Anne McKinney. The book shows actual resumes and cover letters that helped real people change fields or industries. At a time when research shows that most working people have three distinctly different careers, at last there is a book which reveals the successful techniques involved in changing fields. The title is based on the philosophy that an effective career-change resume must build bridges to new opportunities. The Table of Contents is designed to show individuals in varying degrees of career change and seeking different goals: finding a new career after motherhood, identifying a new product to sell or represent, determining a completely different type...
