Read the first 3 Chapters of this book free at bones.htmlWhat if there was information that existed that shows how osteoporosis could be prevented, or even reversed? What if this information had been backed up by reputable scientific studies? The book you hold in your hands right now is a result of the latest research findings and methods that have been shown to reverse and prevent Osteoporosis. Written by Scott Rauvers, the author of more than 3 anti-aging books, Scott is the founder of the Institute for Solar Studies on Behavior and Human Health in Santa Monica, CA. This gem of a book not only includes scientifically backed studies showing which herbs and methods rebuild bone and reverse osteoporosis, but includes the best alternatives to dairy that build and strong healthy bones. Also included is a special chapter on rheumatoid arthritis. No other book exists that reveals the true secrets about how anyone can build strong, healthy bones no matter what their age. Learn how to increase bone mass, rebuild bone architecture and greatly reduce bone fragility leading to a reduced risk of bone fractures in the future. Partial Listing of ChaptersChapter 1.
