Tom Brown was taught the ancient skills of survival by a Native American he called Grandfather. With these physical skills came enhanced perception and true enlightenment. Tracking was their doorway to the universe, Tom Brown writes, where they could know all things through the tracks. . . Now Tom Brown, Jr. shares generations of wisdom through one of the most rewarding pursuits to be found in nature. Tracking lets us unlock the secrets of each animal we follow, and in turn, to become more aware of our own place in nature and the world.
