[.]approximately the sixty-fifth degree of north latitude. How can you tell that, Doctor? It would take me too long to explain, Carnes. I will, however, qualify my statement a little. Either a variable force is being used or else a constant force located where I have said. The sixty-fifth parallel is a long line. The exact location and the nature of that force, we have to find. If it be man-made, and I ll bet my bottom dollar[.]
