Page Publishing, Inc., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I had a perfect life with a family that loved me but this was about to change as my family was only temporary. Love is supposed to be a family foundation, but when you are given vacations and everything else you want, you start to loathe what every other family has. I wanted it, but it was stolen from me. I had to deal with what life had given me. I was about to be introduced to karma, and she was going to be visiting me. I had to figure out what I did wrong. It seemed that everything that I did was going wrong and I couldn't figure out what to do as my life came crashing down on me. My last resort was an e-mail, and that was going to decide my fate.
