It is a general belief that when a person seeks a tarot card reading it s because they are in need of help or support of a spiritual kind. To most people spiritual can translate to things not of this world, things related to the great beyond, the unexplainable or supernatural. Join Madam Luyena and Orangina Stargazer on their journey into the realm of crystal balls with this wonderfully composed explanation book and it s associated deck. Inside you will find stories straight from Madam Luyena a well rounded and acclaimed spiritualist as that is her anonymous name, you will find detailed explanations, definitions, and even a quick reading section. A special thanks goes out to Jean Carlos Cotto for his contributions to the stories and explanations contained in this book.
