

Mouse or Rat?: Translation as Negotiation (Paperback)

Filesize: 1.42 MB

Reviews

This type of pdf is every little thing and helped me searching forward and more. It can be written in easy words and phrases and never hard to understand. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about should you request me).

Orion Publishing Co, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. From the world-famous author of THE NAME OF THE ROSE, an illuminating and humorous study on the pleasures and pitfalls of translation. Translation is always a shift, not between two languages but between two cultures. A translator must take into account rules that are not strictly linguistic but, broadly speaking, cultural. Umberto Eco is of the world's most brilliant and entertaining writers on literature and language. In this accessible and dazzling study, he turns his eye on the subject of translations and the problems the differences between cultures can cause. The book is full of little gems about mistranslations and misunderstandings. For example when you put Studies in the logic of Charles Sanders Peirce through an internet translation machine, it becomes Studies in the logic of the Charles of sandpaper grinding machines Peirce . In Italian ratto has no connotation of contemptible person but denotes speed (you dirty rat could take on a whole new meaning!) What could be a weighty subject is never dull, fired by Eco's immense wit and erudition, providing an entertaining read that illuminates the process of negotiation that all translators must make.
