Indian Fights and Fighters (1904), by Cyrus Townsend Brady (Illustrated): The Soldier and the Sioux (Paperback)

By Cyrus Townsend Brady

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Illustrated. Language: English . Brand New Book ***** Print on Demand *****. Originally published in 1904, Indian Fights and Fighters regularly appears in bibliographies of significant works on the history of the American West. Embracing almost three decades of Plains history, it contains not only Brady's clear, fast-paced accounts of the Plains wars, but also a number of eyewitness accounts, most of which were written especially for him and which are almost impossible to find elsewhere. The Powder River Expedition, the tragedy at Fort Phil Kearny, the Wagon Box Fight, the defense of Beecher's Island, the Fetterman Massacre, the battles of Washita and Summit Springs, and the campaigns of Crook, Custer, and Miles against the Sioux all are fully treated. The introduction by James T. King sketches Brady's career and evaluates his sources.

Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

-- **Dr. Willis Walter**

It in a of the best publication. It really is loaded with knowledge and wisdom You may like the way the blogger write this ebook.
