By Nicholas Murray Butler

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Monographs on Education in the United States: Educational Organization and Administration The Dutch had gone farther than the English; they had just waged a long and dreadful and successful war for liberty, and with all its horrors war has uniformly sharpened the intelligence of a people. This war for civil and religious liberty had enlarged their freedom and quickened their activities; they had become the greatest sailors and the foremost manufacturers in the world; and they had established the government policy of maintaining not only colleges, but common schools for all. The first permanent white settlers in the United States were English and Dutch. In the beginning they had no thought of ceasing to be Englishmen and loyal subjects of the English monarchy, or Dutchmen with permanent fellowship in the Dutch Republic. They each brought their national educational ideas with them. Each people was strongly influenced by religious feelings, and life in a new land intensified those feelings. The English in Massachusetts were at the beginning very like the English in England. The larger and...
