SAGE Publications Inc, United States, 2010. Paperback. Condition: New. New. Language: English . Brand New Book. The 2004 reauthorization of IDEA spells out schools responsibility to provide instructional intervention and Response to Intervention (RTI) as the first line of problem solving when addressing students learning and behaviour differences. This research-based resource provides more than 200 instructional interventions for teaching the growing population of students from culturally and linguistically diverse backgrounds within an RTI framework. Organized by the tiers of RTI, these specific interventions help classroom teachers address students cognitive, behaviour, literacy, and communication issues at each level. This book features: - A reader-friendly format that allows busy teachers to easily find the interventions they need - Straightforward, concrete directions for using each intervention - Examples from practice and a glossary to aid implementation RTI for Diverse Learners offers step-by-step guidance for distinguishing between language development and special education needs in diverse students and providing appropriate instruction.
